YOU

hi, i need help with a gas line - it is wearing out - I have stopped using it, and using electric store rn

ASSISTANT

Thanks for reaching out. I can certainly help you schedule a technician to inspect and repair or replace that gas line. To get started, could you please share your 5-digit ZIP code, and let me know what date and time window (morning or afternoon) works best for you?

YOU

I smell gass

HANDOFF

emergency_gas

ASSISTANT

I understand this is a sensitive situation. I'm transferring you to a human agent right away.
